- Mentor Manger Latasha Wilson entertained 25 littles and bigs at our 1st ever Ladies Day at the Midstate Athletic Center in Cicero. Preparing brunch, arts'n crafts and small group activities brought out everyone's energy for the day.

Success Story:

We would like to thank Tops Friendly Market and Summit Federal Credit Union for hosting our program at the annual taste of Syracuse event. We were stationed at their tents and we were able to recruit bigs, spread the word about our program and raise funds through donations and games. The staff from both Tops and Summit were so fun to work with and it was obvious that they support not only BBBS, but the CNY community as a whole.
