

Big Brothers Big Sisters Board Report July 2023

Participants:

- # of School Based Matches 55.
- # of Community Based Matches - 52.
- # of Work Place Mentoring Matches - 0

Program Highlights:

- We tabled at the Nationals at the Fairgrounds and at NBT Stadium during the Mets game. We seemed to generate interest in a handful or two of people and we hope they will follow up and become bigs.
- Our 3rd annual Golf Scramble took place at Drumlins Country Club on July 21st. Other than 10 minutes of light rain, the day went very well. We had 35 golfers in attendance and over a dozen friends of the program supported the event as sponsors. Official numbers aren't in yet, but it looks like we raised over \$7500.

Upcoming Events:

Advisory Council Mtg...Monday August 7th ...Dinner...Coppertop Tavern....5:30 pm

Annual School Supply and Back Pack Give-Away/Goofy Olympics...Aug 5th...11:00 am...Santaro Park

Success Story:

We had two of our matched bigs and littles throw out the 1st pitch at the July 15th Syracuse Mets game.

Our annual Golf Scramble raised \$7600.

HealthWay, an air filtration system company in Pulaski, has recently become a big supporter of our BBBS program. Not only have they offered their luxury suite at NBT Stadium to us, but they have donated three filtration units valued at \$575 to be used as raffle prizes at our events and have arranged to have all proceeds raised through an auction of a vintage Syracuse Mets baseball jersey come to BBBS. HealthWay is a GREAT friend of ours.
