Summer is half over and activity at CSFRC is plugging along. The Bright Futures Summer Youth group went to the Stone Quarry Art Park, The Rosamond Gifford Zoo, Sea Breeze and Onondaga Lake Park. The Women's Wellness group met a couple times in July, one of which was dinner out in Cortland at the Hollywood Restaurant. There were 8 recipients of the \$200 rebate from Governor Hochul that was applied for 7 months ago. One veteran, single father of 4 received help renewing his license. People are getting new jobs. Success Story

The Bright Futures Youth Program continues to provide support for youth throughout the summer. Two members spent a week at 4H Camp Owahta in Cortland County paid for through PEACE, Inc. The group meets on Mondays and Wednesdays from 1 – 4 PM. When the weather cooperates, they go swimming at Green Lake in Tully practicing one of life's most important life skills- swimming! The other day that they meet is usually a field trip. The most exciting one so far has been to Sea Breeze Water Park near Rochester. Their behavior was so GOOD that they were allowed to stay until the park closed.

The team at SSFRC is working closely with a woman who has become the guardian of her two grandchildren, ages 10 and 11. Grandma is caring for them because they were in a dangerous environment with their mother, who struggles with addiction. When they moved in with grandma, both children hadn't been to the doctors in years, were severely underweight, and had undiagnosed special needs. After working with the grandma for a couple of months, she has custody of both children, and they are receiving support for the oldest's diagnosed autism and the youngest's ADHD, benefits to help pay for more food, and healthcare to provide nutritional supplements to keep them on track to a healthy weight.
